

## WEDDING STATIONERY

---

*Due to the custom nature of our work we quote each job separately.*

Each stationery suite is hand-tailored to create artwork that is specific to the couple. The price relies on the quantity of your order, the complexity of your design and any special finishing you would like (foil printing, letterpress printing, die-cuts).

Estimating your wedding invitations begins with a complimentary consultation. We'd love to meet you at your favourite neighbourhood coffee joint to look over styles, samples, paper and colours. If we are unable to meet, or working long-distance, a Skype or Facetime meeting works wonderfully. We're also available the old fashioned way via the telephone at 604.381.2099.

Our pricing involves sourcing the highest quality print materials in our area. Because of this, the proposal and estimation process can take around a week or so to complete.

To gain a better understanding of what to expect during the process, be sure to click the *Frequently Asked Questions* button on the *Weddings* page. Be sure to contact us with any questions, we'd be thrilled to hear from you!
